

American Academy of Pediatrics

Pediatric Involvement Needed:

The Early Childhood Coordinating Council is recruiting pediatric staff members who are interested in joining one of the Regional Early Childhood Committees. The Early Childhood Coordinating Council (EC3) is the Governor's appointed Council which plans and coordinates early childhood systems within Idaho. The Council sponsors a Regional Early Childhood Committee in each of Idaho's 7 regions of the state. The regional Committees bring the work of EC3 to the local region, bringing education and resources to communities all across the state. The Committees are interested in involving medical providers in their local activities and it is a wonderful opportunity to be involved in supporting young children and their families. For more information, contact the Committee chair in your area:

EMPOWERED TO CONNECT EXPANDING POSSIBILITIES

Come ready to:

- Identify resources within HEAL that can improve the health of our communities.
- Build on statewide momentum to increase impact at the local level.

IDAHO CHAPTER AAP NEWS

District V & VIII

The Section on Medical Students, Residents and Fellowship Trainees (SOMSRFT) and Section on Early Career Physicians (SOECP) would love to invite everyone to sign up to be mentors in the AAP Mentorship Program:

<https://aapmentorship.chronus.com/about>

SOMSRFT and SOECP worked hard this past year to get a mentorship program up and running. We hope you become involved in our new and exciting program!

Online Registration Opens May 4, 2015!

Immunization Summit 2015

September 21, 2015

Monday 8am – 4pm

Nampa Civic Center

311 3rd St S, Nampa, ID 83651

Summit Keynote Speakers

David R. Williams, PhD

Dr. Williams, a renowned professor at the Harvard School of Public Health, is an internationally recognized social scientist for his research on the social determinants of health. Dr. Williams has been involved in national health policy development by serving on numerous committees in the Department of Health and Human Services and the Institute of Medicine.

Dr. Williams has appeared on national television, including ABC's Evening News, CNN, PBS, the Katie Couric Show, Al Jazeera, C-SPAN and the Discovery Channel. He was a key scientific advisor to the award-winning PBS film series, *Unnatural Causes: Is Inequality Making Us Sick?*

Carolyn Buxton Bridges, MD

Dr. Carolyn Bridges is the Associate Director of Adult Immunizations in the Immunization Services Division, National Center for Immunization and Respiratory Diseases at the Centers for Disease Control and Prevention (CDC). A board-certified Internal medicine physician, Dr. Bridges was in clinical practice before joining the CDC as an Epidemic Intelligence Service Officer in 1996 working primarily on influenza.

Her career in public health has included research and policy on influenza prevention and control, vaccine effectiveness, and transmission, and improving coverage for recommended adult vaccines. Her current focus is on increasing the evidence base for adult vaccinations, vaccine coverage assessment, and adult vaccination policy and education.
