Idaho Oral Health Convening

Friday, May 12, 2017
The Riverside Hotel, Boise, Idaho

Registration opens March 2017

This convening will provide education and networking for dental and medical professionals and others working to improve oral health in Idaho.

Attend educational sessions with local and national speakers on hot topics in oral health, and network with others from across the state to learn about new oral health best practices.

Topics include: Oral Health Integration in the Primary Care Setting, Teledentistry, Silver Diamine Fluoride, Dentistry in the Medical-Health Neighborhood, and others.

For more information, contact: Angie Bailey, Program Manager, Idaho Oral Health Program, Angie.Bailey@dhw.idaho.gov

Funding for this conference was made possible (in part) by the Centers for Disease Control and Prevention. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services. Nor does the mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government.
