

# New Mobile App

## Provides Trusted Immunization Information!

The Ohio AAP has developed a new mobile app to educate parents and provide them with trusted, credible and useful information about childhood immunizations.

### The Fast VAX Facts App includes:

FOR  
PARENTS

- A series of short videos recorded by a pediatrician on targeted topics that address the most common immunization questions and concerns
- An interactive immunization schedule customized by child's age
- Trusted answers to frequently asked questions
- Breaking news alerts on outbreaks, new research and other important immunization headlines
- Pediatrician-approved links and resources
- Ability to share reliable facts and resources with friends and family at the push of a button

## The Fast VAX Facts App

is available to download for **FREE** in the App Store or on Google Play.

FastVAX Facts is updated as new information on immunizations becomes available. The Ohio AAP reviews content for accuracy monthly.

*This work is funded either in whole or in part by a grant awarded by the Ohio Department of Health, Bureau of Infectious Diseases, Immunization Program and as a sub-award of a grant issued by the Centers for Disease Control and Prevention under the To Prevent Vaccine-Preventable Disease Through Maintaining Immunization Structure grant, grant award number NH23IP000765, and CFDA number 93.539.*

A promotional graphic for the Fast VAX Facts app. At the top, it features the American Academy of Pediatrics logo and the text "DEDICATED TO THE HEALTH OF ALL CHILDREN™" and "Ohio Chapter". Below this is a white smartphone displaying the app's interface. The app screen shows the "FAST VAX FACTS" logo and a section titled "I am a:" with two buttons: "PATIENT OR FAMILY MEMBER" and "HEALTH PROVIDER". At the bottom of the screen, it says "American Academy of Pediatrics" and "DEDICATED TO THE HEALTH OF ALL CHILDREN™". The background of the graphic is yellow and blue with geometric shapes.
