

Spring 2024 Oral Health Grant Program

Delta Dental of Idaho is seeking submissions from throughout Idaho for our Oral Health Grant Program. We award organizations working to improve the oral health of Idahoans.

The objectives of this grant program are to:

- Improve the dental infrastructure and workforce capacity in Idaho.
- Improve access to affordable, timely, and high-quality dental health care.
- Reduce oral disease through education, prevention, and treatment.

To be eligible for this opportunity, applicants must:

- Be a public charity classified as exempt from federal income taxes under section 501(c)(3) of the Internal Revenue Code; or
- Be a city, county, public health district, public school district, public charter school, not-for-profit institution of higher education, tribal government, the State of Idaho or an instrumentality of the state, or similar entity or organization that serves the public on a not-for-profit basis.
- Serve individuals in the state of Idaho.

Grants can be awarded for:

- Capacity building
- Capital and equipment
- Programs and special projects

Preference will be given to proposals focused on increasing access to care in rural Idaho, dental health profession shortage areas, or improving oral health among underserved populations.

The **minimum** grant amount for the Spring 2024 cycle is **\$5000**, the **maximum** is **\$25,000**.

To view detailed funding guidelines, create an account at grantinterface.com/Home/Logon?urlkey=ddoi. Applicants will use this system to preview, complete, and submit the application.

Timeline

- Applications open April 1, 2024, and close April 21, 2024, at 11:59pm.
- The grant review committee evaluates each application and decides if grant funding will be awarded. Applicants will be notified of a decision by mid-June.
- All Spring 2024 approved grants are for a single year of support beginning July 1, 2024.
